- ASRT Delegate Orientation
- ASRT Sergeant-at-Arms Orientation

June 2023

- ASRT Preconference Board of Directors Meeting
- ASRT Educational Symposium and Annual Governance and House of Delegates Meeting
- ASRT Postconference Board of Directors Meeting

Most Memorable Experiences:

Beyond a doubt, being a part of the ASRT Patient Shielding Task Force was not just one of my most memorable experiences this year, but truly one of the best things I've ever been a part of. It has been such a joy to work alongside Dr. Kristi Moore, a fantastic group of expert volunteers from across the country and the superlative ASRT staff on this project. Together, we were able to develop and deliver valuable, high-quality educational resources that I'm confident will be a great help to our peers as they adapt to the ongoing changes in our profession. During the past year, I've been able to discuss the work of our task force during two international conferences and lectures at affiliate meetings in California, Georgia, Mississippi, Montana, South Carolina, Utah and throughout New England. I have absolutely loved every second of it and am so grateful for the ASRT!

Closing Remarks:

As I complete my fourth year of Board service, I wish to extend my deepest gratitude to the entire ASRT House of Delegates for your support and confidence. Serving you all and our profession is the most rewarding professional experience I can imagine and I feel so fortunate to have had the opportunity to work alongside so many fantastic volunteers this past year. I want to thank my fellow Board members for their incredible dedication and thoughtful leadership, as well as the ASRT executive team and amazing staff! Special thanks to Vice Speaker of the House Shellie Pike as she is a great House partner and friend. Thank you all so very much!
