

Student *Group* Membership Is **Easy** and **Convenient**

Whether you are paying for student memberships or collecting dues money from students, group membership is a convenient option to ensure that your entire class takes advantage of ASRT membership benefits.

Membership provides valuable resources for students:

- ▶ **Study Tools** – Online modules on physics and skeletal anatomy, as well as anatomy drill and practice exercises.
- ▶ **ASRT JobBank®** – Search and apply for jobs, sign up for job alerts and compare salaries.
- ▶ **Student Community** – Interact with other students and find resources for all disciplines and specialties.
- ▶ **Exclusive Discounts** – Save money on shoes, scrubs, laptops, ARRT study guides and more!
